Report a Publication

Please report any publication that used Flow resources.

This is very important for us when we submit grant applications or grant renewals, so thanks in advance for your help!

- On the top-left section of the page, you will find a list of the instruments or resources you are allowed to book in the facility (and only those). You may have to request a training to be allowed to book more resources.
- On the top-right section of the page you will find a list of services or consumables (if any) available for order in the facility.
- The bottom sections of the home page will allow you to review information about the facility resources, your own bookings, documents to review or agree, links to register for notifications in case of cancellation by other users, etc...
- Please do not forget to use the “report a publication” function to share with the facility any publication that used its resources.
- Please do not forget to use the “report an incident” function to report any trouble you had while using the facility resources.
